**30c. Chocolates, 29c. lb.**

"MUCHGOOD" CHOCOLATES. New, and to introduce them at this low price is quoted for Saturday. They have a rich cream stringy filling, with a heavy chocolate coating. Real tasty.

**75c. and \$1.00 silk gloves at 39c. pair**

All of them perfect and with double finger tips.

WITH you, as with us, it's a chance bargain. Silk gloves of all kinds are scarce. They are the ones that every woman wants for summer. We got them so early because the imports and only these styles left, and was unable to secure further shipments in time—so closed out his line.

All are two-clasp style, in brown, mode and tan. All sizes in each shade. Big lot, but watch them go. Think of it, regular 75c. and \$1.00 kinds at 39c. a pair.

—On First Floor—Bargain Tables—S. KANN, SONS & CO.

**In values and variety this is our best housefurnishings sale.**

Not a single item that is not a grand value. Not a single article offered underprice that is not in keeping with the season's needs in every home. Not a single article offered that is not first class and the best of its kind. We could not buy better or offer more attractive values.

It's the regular Saturday money-saving sale, but better than usual in that prices are considerably lower than usual and the variety greater. Selections for the sale were made with great care and an honest effort to include the very things that most people most want—NOW. The time to get them is tomorrow.

**The biggest display of genuine Italian leghorn hats**

ever made you'll see here tomorrow in a great half-price sale.

—Our own direct importation—and to be sold at prices never before quoted. They are the Hats in greatest demand—with plenty of the most wanted NATURAL FINISH Leghorn for women's wear. Every one a genuine hand-braided straw. CHOICE OF BELL CROWNS—ROUND CROWNS—SQUARE CROWNS—IN ASSORTED WIDTH BRIMS IN EACH STYLE. The popularity of the Leghorn Hat for women's wear this season is largely due to the flexibility of the straw. Leghorns are practically the same as the Panamas. They may be bent into any of the charming, fantastical shapes worn so generally, and when trimmed with flowers and malines are wonderfully fetching. That there is a scarcity and that prices are soaring in the market is not to be wondered at. IN this sale are both the BLEACHED Leghorns that every one knows—then there are the Natural Leghorns—unbleached and not pressed. Considerably rougher than the "finished" kinds.

**These sale prices are half or less.**

Bleached or "finished" hats, Natural or "unfinished" hats  
39c., 49c., 69c., 89c., \$1.19, 75c., \$1.19, \$1.39, \$1.49,

\$2.49, \$3.89.

**The prettiest trimmings for leghorns.**

The very character of the hats anticipates simplicity of trimming. Simplicity is also an advantage in summer. So flowers of all kinds, but particularly AMERICAN BEAUTY ROSES, and maline or ribbon, give the most charming effects.

**Two specials in American Beauty roses.**

Three full-blown roses and three buds.....49c. | Four full-blown and part blown roses.....59c.
